Full time scores: Prospect 1 – Riverstone 2

Player of the Week: Pasquale

Encouragement Award: Jordan

Goal Scorers: Gurkan

This game was the vital one. To remain in the top two or the worst position the top four.

With another week off from training due to wet weather and players also off with illness, family holidays we didn't have a good game.

We had more possession, more field position but lacked in finishing.

Not our usual passing game of teamwork but a game of individuals. Our defense was also wanting with players rushing into perform tackles and missing. Taking air swings at the ball or just not concentrating.

And the thing is....the boys knew it.

Two scuffed errors in the penalty area from crosses and Riverstone made us pay heavily.

It was if a switch had been flicked off. All the drills, training and instructions before this game had been erased from their memory.

The next training session this Tuesday will be special.

Next week: Plumpton at their home ground Hanna.
