This game was the real vital one, to remain in the top four.

What a game! What a mud patch! The boys just couldn't get their footing in the gundge. Slipping and sliding on what remained of the grass patches let alone the loose slop in the penalty areas.

The result could have gone either way with possession changing rapidly from one end of the field to the other. Our attacking game has improved since intensive training last week and the boys worked hard with lobbing crosses, angled balls going through gaps it really showed up.

Riley netted the first goal from very close range with a swarm from both teams around him. We had a lot of opportunities on goal as did Plumpton but were unable to convert.

The second half came out with both teams still applying pressure to each other – a great game to watch!

Plumpton were suddenly angling towards the goal from our left flank and a well struck ball had both sides' spectators moaning in pain and ecstasy. The Plumpton hitter started run back towards his line in celebration but a loud 'ping' brought the house down – the ball had rebounded off the post and back into the field of play our mid field and backs were all there and Riley managed to clear the ball out to our right flank.

The ball was still play!

Carlin knocked it to Raj then onto Jono and the boys were off then charging towards the Plumpton goal in numbers. The mud adding 2" to the boy's feet brought Gurkan down just as he went for a hit at goal in the 18 yard box.

Soon after that rush on our goal a similar situation resulted in us netting an own goal, so the scores were locked at 1-1, Brando was shattered. Nice goal though...

Gurkan eventually with a great build up supporting effort from the boys netted the second and all we had to do was stack numbers in the mid and backs, set off side traps just to hold Plumpton out.

We finished at 2 – 1. Shame about the mud but we're secured in the top four. Well played boys!!

Next game tomorrow! catch up wet weather game at home against Lourdes.

Under 11 Division 2**

**Full time scores: Prospect 4 – Lourdes 0**

Player of the Week: Riley  
Encouragement Award: Dylan  
Goal Scorers: Gurkan, Riley, Nick and Jono

Field: William Lawson

We've been waiting to play this game for weeks having being cancelled due to the wet weather.

With yesterday's win under the belt and new tactics fresh in our minds we were keen to put them to the test.

It all worked very very well!! Letting the ball do the work!!

The boys came off after the game saying that they weren't tired or puffed out after playing a full game!!

What a difference it makes when the ball moves and not you!!

Beautiful crosses, looking up before passing, giving time to make decisions, calling out to one another, it worked really well. Great job boys!

Pas was getting quite bored in goals, so once we had the 4 goals up and time was running down in the second half I brought Gurk off and swapped Riley with Pas to him a run on the field and he gave it all he had!! Some nice blocking kicks feeding the ball back into the centre of the penalty area. The Te Kwon Do is paying off.

Well done Prospect.

Thankyou to Lourdes, great effort from the young blokes

Next game; Parklea, and a whole new ball game!
