**Under 8 Lion's v Worker's**

Prospect was the stronger team on the day. Once again some great defence playing by our boys. A few of the premier boys went down including the goalie but soldiered on. Our boys were more proactive. Inban was the player of the match with Timothy receiving the encouragement award. A great effort from the under 8 lions.

Thanks Lorraine

**Prospect – 7 v's Eastern Creek - 0**

Field: Moreau

Player of the Week: Paul

Encouragement Award: Scott

Goal Scorers: Riley, Gurkan

We went into this game with a little concern due to our two strong forwards carrying injuries, but they came through and scored all the goals! Great job Gurkan and Riley! But it couldn't be done without the rest of the team all doing their jobs. Well done boys!! Everyone did just as they were asked and more!!

The ever strong back line; Carlin, Dylan (dizzy), Jarryd (the rock) and Nick held the attacking 'Creek forwards in check for most of the game. Moving a couple of players around from midfield to the forward lines after resting a player's niggling ankle saw Raj, Scotty, Jono, Riley (the wiz), Gurk and Pauly were fast in the transition from defense to attack. The boys are always keen to take the game into the oppositions end third of the field everyone wanted a goal! Pas, our keeper was kept busy for a few moments and assisted by the defensive line managed to clear out any shot on goal.

By the second half, the morning started to come out fairly warm and the boys were keen to press any advantage. A great passing game really good to see the team work training is paying off. Keep up the skills drills at home guys and see you next Tuesday....

Thank you to Eastern Creek for a well played match.

Many thanks to the growing number of mums, dads and supporters watching the boys.

Next week...Riverstone

### Under 11 Division 4

#### Prospect - 0 vs. Rooty Hill - 1

What a game. We played the leaders and we were expecting a very close game, but not this close. We nearly held them out till the end, but a silly deliberate trip ended it for us in our 18 yard line and we all know what happened then.

Matthew S. was by far the most improved boy for the day. He has never been so busy in goals and only let that one goal in which he had no chance at all of getting. Well done Matt, it's just a shame about the outcome.

We had a new positional layout this week and it seemed to work really well. All of the team played brilliantly including our man of the match Anthony who had a blinder in the backs, Justin also got our forwards award and as stated before Matty, definitely the most improved.

Lets all put it together next week guys, you never know, with the enthusiasm you showed this week, we could go all the way,

Kick it through

**Under 16 Girls Red**  
**Sunday 7 May**

**Prospect Red – 5 vs. Marayong - 0**

Encouragement Award – Elif

Not the best way to win a game – playing against only 8 girls – but we were happy to come out in front again. This win puts us in 3rd place on the ladder. A just reward for all the work that Peter, Stan and the girls have put in.

Even though they only had a small number of players on the field, Marayong was still very strong. It took our girls quite a while to score. They kept wanting to run the ball up the middle of the field instead of taking it out wide. And when they did get a shot in, it was stopped by Marayong's great keeper – the best we have encountered so far. Eventually, Elif managed to put two good shots into the net. One was a great team goal which was worked up the field well, and a great cross from Sheree was put away beautifully by Elif. We led 2-0 at half time.

Our play in the second half was much more pleasing. We took the ball out wide and also put some quality ball through the middle. But our girls struggled with the 'off side trap' which was employed very well by Marayong. Lots of good opportunities were halted by the linesman raising his flag. But our persistence paid off and Elif managed to get another two in the net.

An interesting moment arose when a great run by Sheree down the right side was halted by a foul from a Marayong defender in the box. The ref awarded us a penalty – only our second for the season. Our last attempt had been unsuccessful, and none of the girls was too keen to take on Marayong's super goalie. Peter shouted to Cassie to take the shot – and what a great shot it was – straight into the top right corner of the goal, making the final score 5-0.

Although our defense didn't have to work as hard as in some other games, they still did a fine job.

The encouragement award went to Elif in recognition of her 4 goals in each of the last two games – and she never stops chasing that ball!

**Under 16 Division 1**

**Prospect – 0 vs. Rooty Hill - 4**

Coach: Dominic Calabro  
Manager: Helen Tosh  
Player of Match: Belmir Hrnjadovic

Returning from a bye last week and weaker training sessions this week saw Prospect going into this match as under dogs against Rooty Hill.

The match was fairly even until a defense error was quickly snapped up by the Rooty Hill attack to put it away without doubt. Prospect were fighting back and came close many times with excellent through balls by mid-field to put the Rooty Hill defence on alert.

A further defense mistake in the Prospect half saw Rooty Hill capitalise and score to take us out to the break - 2 nil down.

The team knew what had to be done and realised now it wasn't going to be easy. We came on looking sharp; however, the Rooty Hill mid-field was just too good and basically split us apart.

The Rooty Hill strategy changed 2nd half with the back line basically closing shop and we found it more difficult to penetrate the defensive line. Fortunately, our strongest defence was our attack, with Velid, Michael, Kamoh and Bojan having their fair share of opportunities.

Sadly, Prospect just ran out of steam and Rooty Hill simply torn through our defense to score a further 2 goals to win the match 4 nil. It was a brave effort by all today to play as well as they did. Rooty Hill will be the team to beat this year and certainly our aim will be to beat them at their own game...

Go the Reds..... and better luck next week

Coach, Dom
