Under 8 Lion's vs. Worker's

Excellent teamwork with lots of passing and communication. The Workers team had good defense players.

In between the game, the boys had time to catch up on some boys news.

Well done on another excellent game Prospect.

Under 9 Division 4

Prospect – 4 vs. Blacktown Workers – 0

Playing with a full team, things are starting to come together and players are starting to keep to position. Our Goal was never under real threat with our stable goalkeepers who are keen to do the goalkeeper training during the week...which shows during the game.

The result goes to show the training is valuable.....And extra training on Thursdays is beginning to show in the play the ball and I feel as I am able to rely on players to show their full strengths on the field.

On the side line we where all impressed with Goals scored by Carl, Alessandro, Boris, Raf and Baron who also got man of the match. These players showed that everybody is capable of scoring goals !!!

To keep up the good work within the team I need everybody to be at training on Tuesday nights so we can be top at the end of the season

13th May 2006

Under 11 Division 2

Prospect - 4 vs. Riverstone / Schofields - 2

Player of the Week: Jarryd
Encouragement Award: Jono
Goal Scorers: Jono, Gurkan
Field: Schofields

This was going to be an interesting and testing match. We were placed 4th and Riverstone 3rd on the table, so the boys knew we had to win this one to move up. After changing the line up before this game in attempt to give us more depth we went on confident that we could produce a favourable result. Riverstone opened the account with a goal. 1/ 0 Rivo. This fired our guys up and after some tussle and scrapping on the far side saw the ball being released to the forwards and off ran Riley, Jono and Gurk netting an equalizer.

After switching a few players around who were weren't firing on all cylinders at that time of day enabled the midfield ball players of Raj and Dylan options to build up an attack. Declan, always present played really well in support in either attack or defense. The second half saw a beautiful if not unconventional cross from Jono to have the ball roll in from an acute between the Riverstone keeper's feet. We were 2 / 1 up!! Our keeper Pas, was ever watchful but not under too much threat due to our firm backline of Carlin, 'The Rock' Jarryd, Brando and Nick.

Bringing on Nasir as left mid and Pauly left forward added some fresh legs the that side of the park, but Rivo attacked well a gave us a battle in our left rear corner. Nick worked hard to keep them at bay but with us short of numbers and not being able to clear the ball effective enough resulted in Rivo slotting home their second goal. This made the boys even more determined to increase the score. Pauly flew off with a well cleared ball from our backs, an effort that paid off in another goal to Gurk. 3/ 2 Reds!

After several attempts during the game of the ball speeding ahead of him, Gurk managed to catch up with one to nail home our fourth goal. 4/ 2 REDS! Another great passing game really good to see the team work training is paying off. Keep up the skills drills at home guys and see you next Tuesday....Well done boys!! Everyone did just as they were asked and much more!! Well done to Riverstone for a well played match. Many thanks to the growing ranks of the 'United Cheer Squad'.

Next week...Plumpton at home. Go The REDS!!

13th May 2006

Under 11 Division 4

Prospect – 4 vs. Blacktown Workers - 0

Another great game by all the team members. Jerry took man of the match today, he had a blinder in the second half, pocket rocket got most improved, Justin never stops running. He always listens to the coach and acts. Great effort.

Matt and James were in goal, didn't let anything past them, great game guys.

Our new positioning is working really well. The main thing letting us down is our throw-ins, have to keep both those feet on the ground.

To each and every one of you boys (especially Conner), kick it to the side of the goalie, kick it through and never give in.

Great game boys,
Tracey

U/16 Girls Red

Prospect (Red) – 4 vs. Plumpton - 0

Encouragement Award – Jade

Another win today makes 4 in a row. The girls are really giving it their best and improving with every game. Today we had three different goal scorers and another couple who came close to scoring. This was very pleasing, as Elif has had to carry the goal scoring responsibility on her own for the first few weeks.

Elif scored our first goal in her usual stylish way. She also had a number of other good shots throughout the game and really deserved more than one goal today. Our second was a great strike from Sheree who put the ball into the net from a melee in front of the goal. The goalie never saw it coming. That made the score 2-0 at half time.

Ines owned the scoring rights for the second half. With many great runs down the left side of the field, she put constant pressure on the opposition goalie and was eventually rewarded. Ines' second goal came from a corner kick which was neatly passed into the centre and put away with an interesting but effective miss-kick.

Highlights of the game included some great 'one two's' between Elif, Cassie, and Ines; a fabulous drag back from Jade; a 'lay your life on the line' tackle from Sally; great dribbling from Sheree and terrific 'shoulder to shoulder' hassling from Cassie. It was also encouraging to see our girls take a couple of effective short corners.

The encouragement award went to Jade today for her highly effective defense work in the first half. Her pace, effective tackles and determined chasing made it very difficult for the opposition to get a shot on goal.
