Under 8 Lions

We started a player short, which seemed to throw the boys off a bit. The other team had some good defence players. Timothy saved a few good goals & Brendan and Jack both had a great game.

Thanks Lorraine

Under 11 Division 2

Prospect - 1 v's Plumpton - 2

Player of the Week: Carlin
Encouragement Award: Nick
Goal Scorers: Nasr

Field: William Lawson

The score line just does not reflect the real game. For the whole game our boys were all over Plumpton. Constantly working in their half, peppering shots on goal but just unable to net more than one.

The morning didn't start well was this a bad omen? Even before we kicked a ball things were going wrong. I am not superstitious but I do like to run a routine that sets up the mood and the minds of the team.

- 1) Pre-match team warm ups = not the whole team wanted to be involved.
- 2) A team member being teased = a stern talking to team members.
- 3) Wearing the wrong playing shirts = we had picked up another team's bag.
- 4) Match ball = not on the field for the Ref.
- 5) Players forgetting their instructions = what more can go wrong?

They may seem insignificant incidences but things didn't feel too good!

Game time...

Things were going well for the first half. We were up 1/nil. But after the break it all turned to jelly. Maybe we can play on during the next game without a break? We seemed to playing a running catch-up game a couple of times in the second half. Always running after the attacker and not marking the man. I am growing my hair now to hide to bald patches!! That's when the Plumpton struck well played balls.

But I have to give our boys credit although they were running amok they didn't give in!! Chase Chase Chase....

Keep up the ball skills drills at home guys and see you Tuesday & Thursday at training....

Well done to Plumpton for a well played match. Thank you Ref.
Many thanks to the United Cheer Squad for encouraging the boys!

Next week 9:15am... Parklea at home-ground

Go The REDS!!

Under 11 Division 4

Prospect – 4 v's Parklea - 1

Man of the Match: Matthew
Most improved: Liam

What a fantastic game we had on Saturday morning. Dale scored 3 goals and Anthony his first for the season. The backs are doing an awesome job defending and the mids are really helping out the forwards and scoring all of our goals. All we have to do now is focus on our forwards and we will be unbeatable. The boys are playing extremely well together and each week, with focus on training, will improve in leaps and bounds.

Well done to you all,

Don't give in, kick it through and centre!!

Tracey.
