Premiers

Prospect - 0 V St Pats – 0

Man of match points are: Mark Archer 3, Sammy 2, Chappie 1.

Well what can I say, but well done guys. We've only been together as a squad for a couple of weeks & already looking in good shape. It was a hot day for our first game & a tough one it was. In a game that could have gone either way, I would have to say we had the better chances, with Mark Archer being denied two long range shots from the crossbar. Defensively we stayed composed even when we were under a lot of pressure, which is good to see. Mid field moved about well backing each other up. Forwards, well we had our chances & were unlucky, be patient it will come. A few things to work on still, so keep up the hard work & we'll be looking at a finals position at seasons end.

Reserves

Prospect - 0 Vs St Pats - 2

Man of match points are: Darryn Mc Coll 3, Dacian 2, Sandy 1.

After only being together for a week not a bad result. Still getting to know each other, but a big improvement on mid week trial game. In a hot & tough game, we still had plenty of chances, with our best coming from Sandy in the first half. Sandy made a dashing run onto a through ball & was unlucky not to capitalize on a charging keeper. Defensively we held strong, but like all defences you can only withstand so much pressure before you concede a goal, good effort keep it strong guys. Also a top effort by Mark Schwazer (Darryn Mc Coll) in goals at keeping the score at bay.
