Well what a disappointing day. I guess daylight savings hit us hard we either had too much sleep, or just took advantage of the extra hour & partied too hard. We didn't seem to be in the game right from the dressing room, where it was all too quiet during preparation. The only high light of the game came with a minute to go when Riverstone had a free kick outside our box, given away by Choppie. Choppie then decided his job was not finished by, heading goal of the day past a bewildered Matty Paul. Heads up guys we start again Tuesday for a new chapter. Let's not dwell on the past, but learn from it.

Reserves

Prospect – 1 vs Riverstone - 8

Man of the Match points: JP 3, Darryn 2, Cipian 1

Just when we thought it was starting to come together we decide to take two steps backwards, not a good idea. We must remain focussed & not get frustrated & argue amongst ourselves. Let's take three steps forward for next week to get back on track, heads up. Highlight of the game came just before half time when JP moved in on a crossing ball to be denied by the post & none other than the big man himself Cipian following through to put the ball into the back of the net.
